

**CMD/GERIATRICS
IN TWO YEARS**

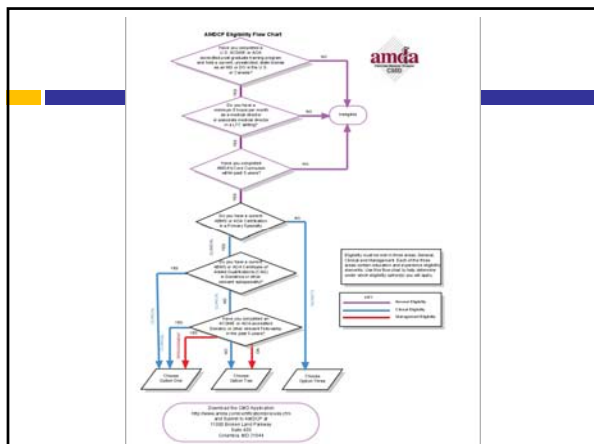

Bruce E. Robinson MD AGSF CMD

**Challenges in Geriatric Fellow
Recruitment**

- Lack of fiscal incentive
- Few successful non-academic practice models
- Credentials perceived as without value in the marketplace

CMD Value to Geriatric Fellows

- Long-term care is a low-overhead, financially successful practice activity that is an excellent fit to trained Geriatricians
- CMD training augments clinical Geriatric training, offering business skills
- Medical Director has financial opportunity to connect with more patients per facility and be paid for administrative work
- CMD offers advantage in marketplace for medical director positions
